

Shadow Runner

Your birth certificate, your driver's license, your corporate ID badge, your auto-club card, your email registration,...all these things say who you are. Officially. And, officially, you are a rather boring single living in the 'burbs and working a nine-to-five job for Johnson & Burck Applied Plastics, Inc. of Seattle. Or, was it Kiwasaki Heavy Industries of Yokohama? Or, Hans Vaahern Pharmaceuticals GMBH of Amsterdam?

Strange, that, all those companies. Strange that your safe deposit box is full of corporate identity badges. And, passports. Strange that your pay is so out of line with your supposed boring desk job that it took a lobbyist, a corporate-sponsored dinner, a 50-year-old friendship with a congressman, and a compromising photo of a high-level department official to make sure that the authorities didn't take too much of an interest in your bank account.

And, strange that your closet is full of illegal gear.

It took years of training to prepare you for your line of "alleged" work. Very few people have the talents you possess. Even fewer can complete the training and develop those talents fully.

You knew little about the other candidates. You only have bare suspicions on who else was "hired" in the end. The actual company who hired and trained you seems to be an affiliate of another corporation which is then held by an offshore organization whose members are not publicly disclosed. Maybe time to go AWOL and do a little digging,...your trainers probably never anticipated THAT.

Shadow Runner

A psionically-gifted super-spy trained for multi-national corporate espionage. Your character's recommended highest characteristics are:

Dexterity, Intelligence
(*Dex, Int*)

YOU ARE NOT AUTHORIZED.....

Step 1: Qualifications or Draft

Make the Qualifications check by rolling 2D6 and adding (or subtracting) the modifier for your character's Intelligence. You must roll the indicated number or higher:

Qualifications 8+ (Int)

If you succeed, go to **Step 2: Begin at Rank-0** for Psion, next column.

Your Qualifications roll becomes your Psionic Strength score. Note on your character sheet.

If you fail, roll on the Draft table:

Draft

Roll	Career / School
1	Soldier
2	Scientist
3	Technician
4	Psion
5	Agent
6	Special Forces

and then go to **Step 2: Begin at Rank-0** of the playbook for the career or school you were drafted into.

Step 2: Begin at Rank-0

At starting Rank-0 you have the following skills:

- Security-0
- Linguistics-0 (English and one other)
- Recon-1
- Psionics: Awareness-1

Note these on your character sheet under "Skills."

Step 3: School Term

Proceed through a) Survival, b) Advancement, c) Risky Castings, and d) Aging to complete one school term.

a) Survival

Make the Survival check by rolling 2D6 and adding (or subtracting) the modifier for your character's Dexterity. You must roll the indicated number or higher:

Survival 6+ (Dex)

If you succeed the Survival check, choose one of the Skills Tables on the next page. You may only choose the Advanced Skills table if your character's Education is 8+. Then, roll 1D6 to gain one skill from the table you chose. Note your new skill on your character sheet.

Gaining Skills
 Unless the skill indicates [Skill Name]-0 you receive a new skill at level 1: [Skill Name]-1. If your character already possesses a skill and you roll that skill again, increment that skill higher by one. For example, if you character has Recon-1 and you roll Recon again, your skill is now Recon-2. Gun Combat-0 becomes Gun Combat-1, etc.

If you fail the Survival check, you do not gain a skill, and you may not go to b) Advancement. Instead, proceed directly to c) Risky Castings.

SECURITY CLEARANCE REQUIRED

b) Advancement

Make the Advancement check by rolling 2D6 and adding (or subtracting) the modifier for your character's Intelligence. You must roll the indicated number or higher:

Advancement 7+ (Int)

If you succeed the Advancement check, choose one of the Skills Tables (Advanced Skills requires Edu 8+). Then, you may choose the new skill rather than rolling for it. Note your new skill. You also proceed one rank higher on the Rank & Skills table, below. Also note any new skill you receive if you reach Rank-3.

Rank & Skills

Rank	Rank & Skills

1	<i>Corporate Clearance</i>
2	<i>Investment</i>
3	Shadow Runner Psionics: Clairvoyance-1
4	<i>Shadow Runner 2</i>
5	<i>Shadow Runner 3</i>
6	<i>Shadow Runner 4</i>

Regardless of whether you succeed the Advancement check, proceed to c) Risky Castings.

c) Risky Castings

Make the Risky Castings check by rolling 2D6. You must roll the indicated number or higher:

Risky Castings 6+

If you succeed, choose one of the Skills Tables (Advanced Skills requires Edu 8+). Then, roll 1D6 to gain one skill from the table you chose. Note your new skill.

Cascade skills are shown in **bold**. Cascade skills are made up of two or more component skills. When your character receives a cascade skill, you must select one component skill of the cascade skill from the "Skills List."

d) Aging

Note your character's age. The character begins at age 18, but each school term lasts 4 years, so upon first completing this step your character is age 22.

YOU ARE NOT AUTHORIZED.....

You may either go to Step 4: Graduate or enter a new school term by repeating a) Survival, b) Advancement, c) Risky Castings, and d) Aging.

The maximum number of school terms you may attend without penalty is four. For the fifth term you may subtract your Strength score by 1 or lose 1 level in a skill. For the sixth term you may subtract your Dexterity score by 1 or lose 1 level in a skill. For the seventh term you may subtract your Strength and Dexterity scores each by 1 or lose 2 levels in any two skills. The absolute maximum number of school terms is seven.

Step 4: Graduate

For each term attended, you receive one roll of 1D6 on the Cash Benefits table. If your character is rank 4 or higher, add +1 to the roll. These credits may then be spent to purchase equipment for your character.

Cash Benefits

Roll	Credits
1	5,000
2	5,000
3	10,000
4	10,000
5	20,000
6	20,000
7	40,000

Also, for each term attended, you may choose one benefit from the Material Benefits table. It helps to choose something for which your character has the correct skill. For instance, a Calligraphy Kit may only be used if the character has the Magic: Calligraphy skill. Choosing a weapon makes the most sense if the character possesses a skill in Melee or Gun Combat.

Material Benefits

Dextran-Air Model-1 Laptop
Psi-Drug, Standard
Psi-Stim: Clairvoyance-1
Shieldbreaker-5
Lock Pick Set-1
Wheeled Vehicle or Aircraft
Weapon (full ammo)

Material benefits shown in **bold** are a category in "Equipment." Choose one item from that category in the "Equipment" chapter.

Step 5: Equipment & Encumbrance

Purchase any items you think your character might need for the adventure from "Equipment."

Calculate your character's Encumbrance Limit. This is 10+ your character's Strength DM. For instance, a character with a Strength of 9 has a Str DM of +1, for an Encumbrance Limit of 11. A character with a Strength of 5 has a Str DM of -1, for an Encumbrance Limit of 9. Note the Encumbrance Limit on the character sheet.

On the character sheet jot down the equipment's name, its encumbrance, and any notes about its use. If you have an Encumbrance Limit of 10, and your equipment totals up to an Encumbrance of 11 or higher, your character must take a -2 DM to all skill rolls.

Step 6: Combat Power

Calculate your character's Combat Power. Combat Power is an indication of how lethal your character is in combat. To calculate it, add up the following values:

- Characteristic DM's for: Str + Dex + End + Psi
- +
- Skill Level/DM's for: Athletics + Gun Combat + Melee Combat + all Psionic Talents
- +
- # of dice of the single weapon possessed by the character which does the most damage + armor

Note your character's Combat Power on the character sheet.

Step 7: Psionics

Go to "Psionics" and learn how to use the abilities and powers for the Psionic Talents you possess.

Multiple Careers & Schools

After you Graduate, you may make a Qualifications check for another career or school. But, there is a -2 DM to the roll. Also, aging effects and term limit rules as stated above apply to the new terms gained in the new career or school.
